

The tropical rainforest (ES)

Current as of: June 27, 2016

For class

- Website for helping children learn about the rainforest
<http://kids.mongabay.com/>
- Photos from the rainforest
<http://www.junglephotos.com/>
- Rainforest animals
<http://www.rainforestanimals.net/index.html>
- Craft instructions for art class: Jungle diorama (a jungle in a shoe box)
<http://www.marthastewart.com/269850/jungle-diorama>
- Useful link collection on the website "Teach the children well" on the topic rainforest:
<http://www.teachthechildrenwell.com/science.html#rain>
- People in tropical rainforests
http://www.skwirk.com.au/p-c_s-75_u-438_t-1424_c-5484/different-communities/qld/humanities/global-environments-and-management-rainforests/people-of-the-rainforest

Background information for teachers

- Rain Forest Teacher Resources with lesson plans, printables etc.
<http://www.teachervision.fen.com/rain-forest-ecology/teacher-resources/6659.html>
- Statistical data on the sustainable development of forests from the UN Food and Agriculture Organization (FAO)
"State of the World's Forests 2011"
<http://www.fao.org/docrep/013/i2000e/i2000e00.htm>
"Managing forests for the future"
<http://www.fao.org/docrep/014/am859e/am859e08.pdf>
- General information on tribal peoples (not only in tropical rainforests)
<http://www.survivalinternational.org/>
- Additional information on the jigsaw technique
<http://www.jigsaw.org/steps.htm>
- Information on the "traffic light" method
<http://www.teachingideas.co.uk/more/management/trafficlightsselfassessment.htm>
